

UFO 50W LED Grow Light

Item NO : CTG-11

Lifespan : 50,000h

Power : 50W

Input Voltage : AC 85V-265V

LED Quantity : 50pcs

Working time : 10-14 hours/day

Working temperature : -20°C-40°C

Beam Angle : 60/90/120 degree

Proportion : Red:Blue=8:1 or decided by customer

Certification : CE&RoHS&SGS

Manufacturer : CT Lighting Technology CO.,Ltd

Features:

Long life-span

LED life-span reaches 50,000 hours. LED chips are purchased from American or

Taiwan chip manufacturer directly such as Bridgelux, Epistar etc. Unique

SSP&SPC technology guarantees grow light working more stable and safer.

Plug and Play

Built-in power supply with Wide Voltage Range from AC85 to AC265V, no setup

required, no reflector & ballast needed. No need any technical requirements for

end users. Plugs directly into AC85-265V power socket, which makes the installation

safe and simple.

Environment-friendly

It doesn't contain the harmful substance HPS & MH have, no hazardous waste to

deal with which makes our earth cleaner and greener.

Easy maintenance

All the parts are connected by standard connectors, the connection is safer. Special

design makes client maintain the light conveniently even after guarantee is expired.

Lighting protection and SSP technology

SSP technology, Lighting-proof and surge-proof are applied in the power design, no worry about lighting and power shocking. SSP technology restricts output DC voltage to be never higher than the LED chips voltage to avoid the LEDs from higher voltage shocking.

CT technology SPC technology guarantee super performance

CT technology SPC technology guarantee the light works more stable, any one of LED units fault will not affect other LEDs, and the whole light still works.

Advanced thermal design to make temperature lower

Welding LED directly onto AL-PCB instead of normal PCB, aluminum is well known in its passive heat dissipation, built-in fan is well known in its active heat dissipation. Both passive and active method are used to solve the heat dissipation excellently.

Item	Value	Item	Value
Item NO:	CTG-11	Lifespan:	50,000h
Power:	50W	Input Voltage:	AC 85V-265V
LED Quantity:	50pcs	Working time:	10-14 hours/day
LED Power:	1W	Working temperature:	-20°C-40°C
Beam Angle:	60/90/120 degree	Item size:	dia175mm*125mm

LED Brand: Epistar Outer Box: 210mm*210mm*127mm(4pcs)

Case Color: Black or White Net/Gross Weight: 1.25kg/1.5kg/8kg(4pcs)

Proportion: Red:Blue=8:1 or decided by customer
